

Features:

- ✓ Aluminium base with 316 Stainless steel finish
- ✓ Anti Glare with 15mm black baffle
- ✓ Epistar COB led chip
- ✓ Consistant warm white colours
- ✓ Usefull lifetime > 30.000 hours
- ✓ Moderate design
- ✓ Dimmable, 0-10V, PWM, DALI
- ✓ IP65
- ✓ 35V-350mA or 24VDC input

DL-13-AG-S	Specification	Accessories
	<p> Led's: Epistar COB 13W Brightness: 1150lm Input Voltage: DC35V or DC24V Current: 350mA Size: W80xH90mm Cut out: 65mm Viewing angle: 36° IP value: IP65 Housing: Anodised Aluminium Optical lens with tempered glass Outer ring: 316 polished SS Colour white: 2700K-3000K Binning: according to ANSI standard </p>	<p> Dimmable led driver Also DALI TCI Mini Jolly </p> <p> 36V/350mA can drive 1 pcs. Multiple mounting springs available </p>
